

**Call for Application for the Student Consortium of the 21<sup>st</sup> Conference of the International Information Management Association (IIMA 2010), Utrecht, The Netherlands, October 18-20, 2010**

Master and PhD-students are invited to apply for the Student Consortium of the 21<sup>st</sup> Conference of the International Information Management Association (IIMA 2010, [www.iima.org](http://www.iima.org)). With the application students are required to submit a paper describing their (intermediate) research approach and results. Topic of the paper should be related to the themes of the IIMA 2010 conference; students are especially encouraged to submit on business process management, e-business and Web 2.0 related topics. Papers will be peer-reviewed; accepted papers should be presented during the consortium. Papers will be distributed, separately from the IIMA 2010 proceedings, on a separate CD with an ISBN-number.

The consortium further includes a workshop on performing design research. Workshop discussions will be centered around research triggers, research questions, design artifacts and validation.

Students: Please submit your papers (3000-5000 words) before June 1<sup>st</sup>, 2010 describing your research to the consortium co-chairs.

Professors: Submissions must be supported by students' professors/supervisors. Please attach a short statement of support to your application.

For students who take part in the student consortium, IIMA-conference fee will be waived; the participant is expected though to cover her/his travel costs to the conference as well as the accommodation. Best papers will be considered for publication (altered) in the Communications of the IIMA (CIIMA, ISSN Print Copy: 1543-5970, ISSN On-line Issue: 1941-6687).

Important dates:

1 June 2010 – Submission of paper and intention to participate

8 July 2010 – Notification of acceptance and participation

25 August 2010 – Submission of camera-ready paper
