Call for Papers
22nd Annual Conference
International Information Management Association
10-12 October 2011
New Orleans, Louisiana USA
Theme: Information Technology:
Bridging Recovery and Discovery for Sustainable Economies

The International Information Management Association (IIMA) annual conferences promote the dynamic exchange of ideas among leading researchers, educators, developers and practitioners who share their research and disseminate innovations in education, business and government. The 22nd Annual Conference of the IIMA is devoted to presenting and examining the role information technology plays or could play in ensuring ecological, social, and sociopolitical sustainability of world economies.

Conference topics include, but are not limited to:

- Information technology for sustainable development
- Distance learning and innovative teaching techniques
- Electronic commerce applications and innovations – public and private
- Web issues, technology, and tools
- ERP and manufacturing issues
- Networks and wireless technologies
- International, cultural, ethical and societal implications
- Database, SOA, Knowledge Management and Intelligent systems
- Organizational issues and case studies
- Business Process Re-Engineering, Enterprise Architecture
- Security, privacy, legal and ethical issues
- Biomedical & Clinical Informatics
- Accounting or Financial Applications and Auditing
- Global Impacts on Economics
- Gaming and Simulations
- Software Engineering
- Sports Knowledge Management & Data Mining
- Computer Science Algorithms Heuristics
- Gamification
- RFID, hardware, software
- GIS, Business Intelligence, AI, Knowledge Management
- Management Issues

Submission of Papers:

Submissions to IIMA 2011 must not already have been published in a journal, presented at another conference, or be currently under consideration for publication or presentation elsewhere. All submissions will be reviewed by the track chairs, program committee and selected reviewers. All reviews are double blind. The editorial board will make the final determination whether the accepted papers are published in the *IIMA 2011 Proceedings* or qualify for publication in the journal *Communications of the IIMA*. The *Communications of the IIMA* is a refereed, serial publication of IIMA that is registered with the US Library of Congress (ISSN: 1543-5970 print copy & ISSN: 1941-6687 on-line)

Format of Submitted Papers:

Papers must follow the guidelines in the *Publication Manual of the American Psychological Association (APA), 6th ed.* The language of the conference and related publications is English. Each submitted paper must include an abstract and must conform to the following format: First Page: Title, author(s), address, phone, fax, email address, abstract. Second and subsequent pages: Title, full manuscript (limited to 25 double-spaced pages). Each accepted paper must be presented at the conference and be accompanied by paid registration. Accepted conference papers will be notified by **August 1, 2011**.

Please submit electronic copy in Word format to the IIMA website no later than **June 1, 2011.** Any submission received after the deadline, exceeds length requirements, or does not adhere to the format and APA guidelines will be rejected without review.

Submission Panel or Workshop:

The conference will feature sessions on topics of special interest. To propose a panel, contact the program chair and provide the session topic and a list of 3-5 potential panelists. To propose a workshop, contact the program chair with a short description of the proposed workshop.

Submission Deadline: June 1, 2011
Conference Acceptance Notification: July 1, 2011
Final Version Due: August 1, 2011
CIIMA Journal Notification: Rolling Acceptance

For more information, style guidelines, and fee schedule: visit the IIMA website: *www.iima.org*
