

**Call for Papers  
24th Annual Conference  
International Information Management Association**

**Iona College, New Rochelle, New York**

***The Cloud Frontier ~ Information, Innovation, Technology***

**Iona College, New Rochelle, New York  
Monday October 14 – Thursday October 17, 2013**

The International Information Management Association was founded in 1989, with the mission to provide a unique blend of high-quality academic research combined with social interaction. As an example of that commitment to academic research, IIMA publishes the *Journal of International Technology and Information Management* (JITIM), a double blind reviewed publication; as well as the *Communications of the IIMA* (CIIMA) a double blind reviewed publication of manuscripts presented at the IIMA yearly conference. Both journals are listed in Cabell's.

The conference combines academic excellence and friendly interaction to create a collegial atmosphere that is usually missing from other conferences. The majority of our members know each other on a first name basis and regularly communicate and collaborate throughout the year. If you choose to join us in New York in October 2013 you will immediately notice the difference.

The Organising Committee cordially invites you to go to the IIMA web site and download the full call for papers. The track chairs would be glad to discuss your paper and its suitability for the conference as well as the criteria for being published in our journals. **2013 Call for Papers** [www.iima.org](http://www.iima.org)

**Submission of Papers:**

Submissions to IIMA 2013 must not already have been published in a journal, presented at another conference, or be currently under consideration for publication or presentation elsewhere. All submissions will be reviewed by the track chairs, program committee and selected reviewers. All reviews are double blind. The editorial board will make the final determination whether the accepted papers are published in the IIMA 2013 Proceedings. The best papers of the conference will be sent to the *Communications of the IIMA* (CIIMA), a double blind, peer reviewed serial publication (ISSN: 1543-5970 print & ISSN: 1941-6687 on-line). There will be a *Best paper* award as well as a *Best Student paper* award at the conference.

## Format of Submitted Papers:

Papers must follow the guidelines in the current Publication Manual of the American Psychological Association (APA). The language of the conference and related publications is English. Each submitted paper must include an abstract and must conform to the following format: First Page: Title, author(s), address, phone, fax, email address, abstract. Second and subsequent pages: Title, full manuscript (limited to 25 double-spaced pages). Each accepted paper must be presented at the conference and be accompanied by paid registration. Accepted conference papers will be notified by June 1, 2013.

Please submit electronic copy in Word format through the [www.iima.org](http://www.iima.org) web site. Any questions, please email the Conference Chair no later than Apr 15, 2013. Any submission received after the deadline, exceeds length requirements, or does not adhere to the format and APA guidelines will be rejected without review.
