Message from the CEO

Friends and Colleagues of the IIMA:
A new year has come and another successful conference has passed. We had a wonderful time in Scotland and are thankful for all the work and effort of our members.
We are dedicated to providing opportunities to succeed.
We are grateful for our journal editors, our reviewers and those that have submitted articles.
I want to personally invite each of you to attend and invite you to bring 3 things to the conference: a friend/colleague, a paper to present, and an idea to usher the IIMA into the future.
We look forward to this year's conference in Houston and a visit to NASA.

Regards,
