SUBMISSIONS

Please submit to IIMA 2023 via Easy Chair https://easychair.org/conferences/?conf=iima2023. Submissions to IIMA 2023 must not already have been published in a journal, presented at another conference, or be currently under consideration for publication or presentation elsewhere. All submissions will be reviewed by the track chairs and selected peer reviewers.

Full Papers:
Full papers will be double-blind peer reviewed. Papers must follow the guidelines in the current Publication Manual of the American Psychological Association (APA). The language of the conference and related publications is English. Each submitted paper must include an abstract is limited to 25 double-spaced pages. Names, affiliations and contact information of the authors should be added to the title page only upon acceptance. Each accepted paper must be presented at the conference and be accompanied by paid registration. Accepted papers will be published in the Communications of the IIMA (CIIMA), a double blind, peer-reviewed publication (ISSN: 1543-5970 print & ISSN: 1941-6687 on-line).

Extended Abstracts:
IIMA 2023 will have a special session showcasing promising research-in-progress and invites submissions of extended abstracts from undergraduates, graduates/postgraduates and professionals. Extended abstracts should not exceed 2 pages. A booklet of abstracts will be provided at the conference and published on the IIMA web site.

Poster Session:
IIMA 2023 will have a poster session allowing participants to display their research-in-progress or other special projects. Poster submissions are welcome. Please provide the poster title and a short description of the project that the poster will portray and the implications of the project.

Panel Discussions:
A panel discussion provides an opportunity for public discussion amongst a selected group of panelists. IIMA 2023 will set aside space for those who wish to pursue discussion of a particular topic or issue. Panel discussion proposal submissions must include (1) title, (2) short abstract: approximately 300 words, (3) organizer(s): names and affiliations of the organizers(s) and participants (if known), (4) length: usually 90 minutes in length and (5) purpose, goals, expected outcomes and contribution to the conference theme (approximately 300 words).

Workshops:
IIMA 2023 invites proposals for workshops that offer the attendees a review of a specific IS field by leading researchers. Workshop proposals should include (1) title, (2) short abstract, (3) detailed outline, (4) objectives and motivation, and (4) a CV of the proposer(s).
